About the College

Virudhunagar Hindu Nadars' Senthikumara Nadar College (Autonomous) came into existence on 11.08.1947. Rao Bahadur M.S.P. Senthikumara Nadar with the help of many magnanimous philanthropists of Virudhunagar Nadar Community, founded this educational institution with the lofty vision of imparting higher education at an affordable cost to the students belonging to the downtrodden communities of Virudhunagar and its vicinity. This college is affiliated to Madurai Kamaraj University. It was recognized in 1958 by the University Grants Commission under section 12(B) & 2(f).

Being a co-educational institution the college insists on gender equality. The ambience of the college is very conducive to higher education. The college enhances infrastructural facilities continually and adopts technological innovation in all its activities. It offers value-based and job-oriented education to equip the students to face the global challenges.

The college offers a wide range of programmes comprising 19 UG courses, 17 PG courses, 13 M.Phil., and 9 Ph.D. programmes and several other add-on courses.

The college has sufficient infrastructure to satisfy the need of the curricular, co-curricular and extracurricular activities. Our college library is equipped with nearly one lakh books and several other departmental libraries are also available. The college has a very big play ground, a modern swimming pool, Indoor stadium, Modern gym and sufficient equipments to develop sports professionals.

About the Department

The Department of Botany is celebrating Golden Jubilee (1967-2017), which offers B.Sc., M.Sc., M.Phil., and Ph.D. programmes. The Department has been recognized as DST-FIST sponsored department. The faculty of the department has received many major and minor research grants from various funding agencies such as UGC, DBT, CSIR, MOEF, TNSC & ST.
