Dear Sir / Madam,

We have immense pleasure to inform you that the Department of Commerce, **V.H.N. SENTHIKUMARA NADAR COLLEGE (Autonomous), VIRUDHUNAGAR** is organizing a two day ICSSR sponsored **NATIONAL LEVEL CONFERENCE ON 'INSOLVENCY AND BANKRUPTCY CODE 2016 – NEW BANKRUPTCY LAW FOR THE REVIVAL OF INDIAN ECONOMY'** on 3rd & 4th January 2019. We warmly welcome academicians, research scholars and PG students to participate in this conference.

Dr.A.A.Magesan
Head of the Department

Dr.P. Sundara Pandian
Principal

About the College :

The benefit of education, let alone higher education was a distant dream to the hopeless people of this backward region until the late forties. It was in this backdrop, the philanthropic and munificent members of the merchant community of Virudhunagar teamed up and founded VHNSN College in their own town in 1947.

Under their benevolent patronage, the college registered a phenomenal development, blossoming into a post-Graduate Institution as early as 1967. Today, after 70 years of its inception, VHNSN College has grown from strength to strength, scaling new heights, crossing many a milestone on the academic road.

VHNSN College offers a record number of courses to the student community. There are as many as 19 Under-Graduate courses and 18 number of Post-Graduate courses are also available here. Twelve disciplines offer M.Phil courses and eight departments viz. Mathematics, Physics, Chemistry, Botany, Zoology, English, Commerce, Computer Science, Micro Biology and Management Studies are recognized as research centres.

Special mention must be made about the glorious traditions followed in the appointments of staff and admission of students in our college. Members of various faculties are appointed here purely on merit. Students are admitted only on merit basis irrespective of their religion, caste or creed. Capitation fees and donations are not at all collected.

The college was accredited with 'A' Grade by NAAC and has been bestowed with autonomous status by UGC.

No wonder, all these singular credits of this great institution have helped it carve a niche for itself in the realm of higher education.

About the Department :

The Department of Commerce of our college, started in the year 1953, offers undergraduate and post graduate courses in Commerce. The department is also offering Diploma course on 'Computerized Accounting' to improve the employability of students. It is a recognized Research Center in Commerce.

It pursues research on various business and management related issues. It has produced more than 250 M.Phils, and 60 Ph.Ds. Apart from spacious class rooms, Conference hall, separate library and computers with Internet facilities, the department is well equipped with a dedicated team of 18 staff members who are specializing on divergent and emerging areas of commerce.

About the Conference :

The Government of India has taken many initiatives to protect the interests of the investors, stakeholders and promote the entrepreneurship by assuring the strong support from the legal arena. As a gesture of such commitment is the enactment of the Insolvency and Bankruptcy Code 2016 by adapting the best practices prevailing across the globe. The Code is enacted to consolidate and amend the laws relating to reorganization and insolvency resolution of corporate persons, partnership firms and individuals in a time bound manner for maximization of value of assets of such persons, to promote entrepreneurship, availability of credit and balance the interests of all the stakeholders including alteration in the order of priority of payment of Government dues and to establish an Insolvency and Bankruptcy Board of India, and for matters connected therewith or incidental thereto.

The Code has huge impact on the debtor-creditor relationship that also contributes to improve the credit culture of the country. Apart from the uniform comprehensive insolvency legislation and a separate framework for bankruptcy resolution in failing banks and financial sector entities, the Code primarily allows the creditors to assess the viability of debtors to mitigate the early identification of the impending financial failures. The Code also concentrates in adjudicating the dispute of the cross border insolvency.

The Insolvency and Bankruptcy Code, 2016 is a one stop solution for resolving insolvencies which at present is a long process and does not offer an economically viable arrangement. It is a strong insolvency framework that minimizes the cost and the time incurred in attaining liquidation which has been long overdue in India. The code will be able to protect the interests of small investors and make the process of doing business a less cumbersome process. Although the Code is very much effective in its recent enforceability, yet facing the relentless process and research works are going to be initiated to strong bind its tentacles around the Indian Credit System.

Call for Papers :

In this regard, we invite quality research papers on any one of the above areas. The decision about the acceptance of the paper will be communicated to the authors in due course of time.

Conference Proceedings and Publication :

The organizers will publish the full papers shortlisted for presentation in a Conference proceeding/book with ISBN number.
