Annual Report 2019 – 2020.

I feel delighted to welcome the honourable Chief Guest Thiru. T.S. Sankaravel, Office Bearers and Members of the College Managing board, Teachers, Students, all ladies, and gentlemen of our college! I feel proud and privileged to present the 73rd College Annual Report for the academic year 2019- 2020.

Significance of Education

Education is the foundation for a strong and developed nation. Education plays a vital role in empowering human potential and in honing thinking power. Only a sound educational system can enrich knowledge and the personality of the citizen.

Developing lateral thinking, fostering creativity, and transforming an individual into a civilized person is the sole objective of education. Avooayiar, the classical Tamil poetess reiterated the significance of education by saying that

மன்னனும் மாசறக கற்றோனும் சீர்தூக்கின்

மன்னனின் கற்றோன் சிறப்புடையன - மன்னற்குத்

தன் தேசம் அல்லால் சிறப்பில்லை கற்றோர்க்குச்

சென்ற இடமெல்லாம் சிறப்பு

For a long time, the elders of our city had the idea of establishing an educational temple in our city so that our descendants can get such special education.

In 1940s, Getting a college admission in Madurai had been the most challenging phase for every student. In 1947, A. Lakshmana Sami – Vice-Chancellor of Chennai University made an announcement, to relax the rules and regulations to promote the establishment of autonomous colleges. During the Nadar community conference at Kovilpatti, Raavsahib P.S. Chidambara

Nadar proposed the idea of establishment of an educational institution at Virudhunagar and added that Raav Bahadur M.S.P. SenthikumaraNadar's willingness to donate ₹ 2 lakhs for it.

With arduous effort, the renowned persons of Virudhunagar Mr. W.P.A. ChoundarapandiyanNadar, Mr. V.V. Shanmuga Nadar, MrP.S. Chidambara Nadar, Mr. M.S.P. Nadar and Mr. V.A. Rathna Nadar established V.H.N.S.N. College on 11th August, 1947 with that donation amount.

The Institution started with the meagre strength of around 100 students and the sublime doctrine is to provide "LowCost Access to High Quality Education". Then, the Institution has attained tremendous progress by establishing many research centres in various departments. We deem it as a great privilege to extend our heart-felt gratitude to all the renowned personalities and their families, the Hindu Nadar's Association and notably to the founder of this renowned institution Mr. M.S.P. SenthikumaraNadar.
