CIRCULAR

NATIONAL THERMAL ENGINEER DAY

Every year July 24 is observed as National Thermal Engineers Day to celebrate the contribution of thermal engineers to society. To recognize the hard work and dedication of those in thermal engineering, our college has planned to conduct an *Article Writing Competition* for UG and PG Students.

Topic: "Science can amuse and fascinate us all, but it is engineering that changes the world."

Guidelines:

1. Article should not be more than 300 words.
2. It should be original and written in A4 Size paper.
3. The article should contain Name, Class and Roll Number.

Submit the Article to Dr.Y.Vidya, Assistant Professor of English on or before 31.07.2023
