

**CIRCULAR**

26.06.2024

NPTEL (National Programme on Technology Enhanced Learning) supported by IITs and IISc offers **734 new online certification courses** in various disciplines of Engineering, Humanities, Science and Management Studies. The students of all the years (both UG & PG) and faculty members (624 courses out of 734 courses are recognized as **AICTE FDP courses**) can apply for the courses. On successful completion of the course, candidate will receive a certificate issued by IIT. Interested students are requested to enroll themselves on or before **22.07.2024**. Six exam dates are available, so the students can get certified in maximum of 12 courses this semester.

For any clarification regarding registration, contact **Dr.B.Pavala Kumar**, Asst. Professor, Dept. of Business Administration. Further information is available @ <https://swayam.gov.in>. **NPTEL courses certified will be considered as Extra credit course under our college Autonomous statute.**
