DEPARTMENT OF ENGLISH

A REPORT ON THE BRIDGE INTENSIVE COURSE -2018

29-06-2018

The main objective of **The Bridge Intensive Course in English** is to initiate English to the first year students of the degree course. It has been observed over the years that students who join the degree course face a lot of difficulties in learning their curriculum through the English language.

In the globalized world it has become mandatory for the undergraduates to pursue their education in English, in order to struggle worldwide. Even to seek jobs in India, effective communication and a good knowledge in English is a fundamental requirement.

The Department of English conducted a Bridge Intensive Course from 25th June to 28th June 2018 to make the students familiar with the essential rudiments of English grammar and introduce them to the new medium i.e. English.

The total number of students benefitted under this course was 1111. The students were divided into **TWELVE** batches as given below:

BATCH	CLASS	STRENGTH	HALL
I	I B.Sc. Chemistry (A&B)	- 40	MSR BUILDING ROOM -9
	I B.Sc. Botany	- 40 =80	CHEMISTRY DEPT
II	I B.A English	-49	KANAGAMANI

The course was planned in such a way that out of the five hours a day, the first four hours were dedicated for teaching basic doctrine of English grammar. The last hour was utilized to test the extent to which the students had learnt the grammar subject which was taught in the class that day by conducting a written test.

In each hour, one aspect of English grammar was trained intensively. Inclusive study materials written in simple and logical style by the faculty members were given to the students, for their easy understanding. Bilingual method of teaching was adopted by the teachers in the class. Every nuances of grammar was taught with ample illustrations. The students were eager to raise doubts and questions and they were clarified and answered by the teachers in a persuasive way. Participatory learning was widespread all the way through the course.

The question papers for the test were prepared in such a way to test the understanding level of the students. Feedback about the relevance and usefulness of the course was collected at the end which will help the department to identify students who need remedial classes and others who need classes at the higher level for better employment opportunities.

Dr. A. Kalidass, Associate Professor of English and Dr. M. Meena Devi, Assistant Professor of English, were the Co-ordinator and Joint Co-ordinator respectively for the Bridge Intensive Course. Thanks to their meticulous planning and orderly execution, the course was indeed a fruitful one to the students in bridging the gap between their school education and education in college.
