12.	Programme Summary:	<p>Peer teaching learning method is a method that facilitates students with different abilities and is considered one of the innovative teaching learning strategies. Students feel more comfortable and open when interacting with a peer tutor. In this respect, the Department of Commerce (SF) has organized Peer Tutoring Session and Ms. R. Saishruthi of III B.Com (SF) had delivered lecture series on “Business Communication” from 3rd August, 2022 to 05th August 2022. She presented her lecture in form of Power Point Presentation and explained the importance and objectives of business communication, types and methods of communication and the barriers of communication.</p> <p>The students revealed their feedback after attending the session:</p>

- The session provided more comfortable learning environment.
- It gave more positive attitude towards learning and to develop self-confidence.
- It felt free to ask questions to the peer tutor.
- It gave more confidence to express thoughts and also motivated some to become a peer tutor in the upcoming sessions.
- It gave a clear idea about the subject.
- The peer teacher expressed her view after the session:
- It gave a good experience to know about the importance of teacher in a classroom.
- The session offered more confidence to face the audience.
- It also offered a good opportunity to learn deeply about communication.
- It built a good relationship among the peer students.

Teacher's Observation:

The instructor used the first language (L1) in the classroom appropriately and effectively. It gives different experience to both the student teacher and the peer students. Peer tutor and peer students share a similar discourse allowing for a greater understanding. Peer teacher reinforce her own learning by instructing others. The class was clearly very well-organized with a clear goal which was successfully achieved. The purpose of introducing these new teaching strategies and methods is to improve academic outcomes and address real problems to promote equitable learning.
