However, for availing CL for more than the days specified in a month on unavoidable circumstances, special permission has to be obtained from the Secretary, provided the teacher has sufficient unavailed CL to his/her credit.

4. The unavailed CL will not be carried over to the next calendar year.

5. All the SF teachers should attend all the functions organized by the college without fail and they should also sign the attendance register after every such function.

### II. Medical Leave

Medical leave will be considered by the authorities on the genuineness of the case for those who have completed the probation period. Each teacher who has completed the probation period is eligible for 10 days medical leave in a year. This medical leave will be carried over to next academic year. The holidays that fall within the period of medical leave will also be treated as medical leave. The teacher has to submit Medical Certificate at the time of availing the medical leave and fitness certificate at the time of joining. The authorities have the right to refer to the Medical board if required. A maximum of 30 days medical leave may be availed continuously in a year if the teacher is eligible for it.

### III. Maternity Leave

1. Those teachers who have completed 2 years of probation period are eligible for two months maternity leave with full salary for the 1<sup>st</sup> issue; and the full salary for the 1<sup>st</sup> month and half salary for the 2<sup>nd</sup> month for the 2<sup>nd</sup> issue. The period beyond two months

The application for OD is to be submitted well in advance enclosing the necessary circular alongwith work adjustment details. The teacher is allowed to avail himself of OD only after getting prior approval.

2. Each teacher is eligible for 15 days remunerative OD. One can avail of OD only for 5 days continuously.
