16.	<p>Programme Summary:</p> <p>The session started with the introduction of “What is Decision Making”. Initially, students explained their decision-making process at the level of 11<sup>th</sup> standard in choosing their group and choosing a course in college. The Art of Decision Making in life was clearly explained to the students and the students were made to understand the fate of wrong decisions. Five simple steps to develop Good Decision Making Skills were discussed. Students were motivated to identify their goals in order to make a good decision in their career. Finally, some of the rare, popular and high-earning career options were introduced to the students. Students were made to realize the words of Roy.E.Disney “ It’s not hard to make decisions once you know what your values are.”</p>
